

How to Play

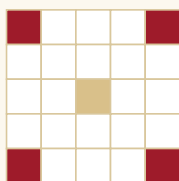

CHRISTMAS PICTURE BINGO

- 1 Print one bingo card per player, plus the caller cards. Card stock works best.
- 2 Cut out the caller cards, fold them and pop them into a hat, bowl or stocking.
- 3 Give every player a card and a handful of markers: candies, buttons or chocolate coins.
- 4 The caller draws one caller card at a time, reads the word aloud and shows the picture. Players cover that picture if it is on their card. Tick it off on the Caller's Checklist.
- 5 The FREE space in the middle counts as already covered.
- 6 The first player to complete the chosen pattern shouts "BINGO!" Check their card against the checklist. The card number makes it quick.

TIPS

- ★ Every card in this set is unique, and no two cards share a complete row, column or diagonal, so two players can never win with the same line.
- ★ Little ones who can't read yet can play with the pictures alone.
- ★ Slip cards into sheet protectors and use a dry-erase marker to play again and again.
