

A QUICK GUIDE FOR GROWN-UPS

How to Play

1 Pick a hunt

Little Monsters clues are easy rhymes for ages 4-7. Big Kids clues are riddles for ages 8-12. The picture trail needs no reading at all. Mixed ages? Run two hunts side by side.

2 Print & cut

Print the clue cards and cut along the dashed lines. Use only the cards that fit your home, or write your own on the blank cards.

3 Hide the clues

Hand card 1 to the players. Hide each next card where the card before it leads (see the answer key). The setup planner keeps track.

4 Hide the treasure

Put the candy, treat bag or surprise where your last card leads, with the "You found it!" sign on top.

Which Hunt for Whom?

Little Monsters clues	Ages 4-7	Rhymes, the answer is often the last word
Big Kids riddles	Ages 8-12	"What am I?" riddles about things at home
Picture trail	Ages 2-5	Each card shows the next hiding spot
Picture & colors hunts	Ages 2-5	No reading needed, just find and tick
Neighborhood hunt	All ages	For a trick-or-treat walk

GOOD TO KNOW

- ★ Clues can go in any order, so skip the ones that don't fit your home.
- ★ Big kids can read a clue to the little ones and hunt as a team.
- ★ Keep clues away from ovens, stairs and anything hot or high.
- ★ Outdoor hunts: a grown-up comes along, stay on sidewalks and wear something bright.
